STATOTHR

Please refer to my letter of 2 June 1953 in which I set out the opinion of this office to the effect that we deemed you liable to the United States in the sum of \$52.00 for damages incurred by a vehicle owned by this Agency in an accident with a car driven by  on 18 August 1952. In that letter I requested that either you forward it to your insurer or, should you not be insured, you make remittance to this office in the amount of \$52.00 made payable to the Treasurer of the United States.

To date I have received no reply to my letter. This is to inform you that, if no answer is received within thirty days from the date of this letter, I will forward this claim to the General Accounting Office, for possible offset of monies due you by the United States, or for further forwarding to the Department of Justice for appropriate action on behalf of the Government.

Very truly yours,
